

**REPORT**  
**regarding the rewarding of the administrator S.C Turnover ABC S.R.L.**

The justification of the proposal of rewarding/advancement of the administrator S.C Turnover ABC S.R.L. regards the negotiation process and the signing of the selling contract of a commercial space in Bucharest, 1, Splaiul Independentei, at a price of 2.091.620 Euros.

The price was received in its entirety and it represents a record in real estate transactions, representing the result of a long negotiation process, in which many obstacles were encountered, that were eventually overcome.

Moreover, during the negotiation of the additional act regarding the extension of the credit maturity contracted by S.C Cocor S.A., through the credit contract no. 235/28.06.2013 signed with Banca Comerciala Romana S.A., a Euribor 6-month interest rate of +4% was obtained, from which a substantial diminishing of interest rate costs was derived.

As a result of the afore mentioned, the Administrative Council of the society proposes to all company shareholders the rewarding of the administrator S.C Turnover ABC S.R.L.
